Six items were discussed during this meeting of the committee. The items are numbered and listed below.

1. County Updates:

Utah County –APWA meeting had 300 people attending. BYU still working on their fertilizer and pesticide study.

The Utah County has continued meeting monthly with good attendance.

Davis County – Kim Wallace, Davis County issued their first storm water permit last month. A new coalition letterhead was developed.

Weber County –

Weber County is preparing a coalition logo to be used for their education program. The logo is being developed by high school students and has been promoted as a contest.

Good turnout for the APWA broadcast.

Cache County – Bill Young, implemented a stormwater utility fee of \$7.70 for residents. Very little public input was received. A higher fee for the canal companies and businesses.

Salt Lake County – **Karen Nichols**, an erosion control seminar was scheduled for later next month at the Murray City offices.

Washington County – no attendance

2. Subcommittee Reports-annual report update, specifications update APWA, formation of a construction permit subcommittee

3. Upcoming Training-AWRA Training June 28-30

4. Proposed Revised Mission Statement-Kim Wallace proposed a motion to pass and Paul Taylor provided the second.

The Utah Storm Water Advisory Committee will coordinate efforts to reduce storm water pollution adequate flood control. The committee will jointly review governing regulations, disseminate information to enhance compliance with those regulated, promote effective storm water management training, and assist local municipalities and other interested parties to implement best management practices, consistent with their individual needs and resources. This committee will also review any proposed storm water regulations to assess potential impacts on the regulated community.

5. **Presentation from State DEQ regarding storm water construction-**Walt Baker, acting Division Director for the Division of Water Quality discussed the construction permit process and the potential for future changes outside the UPDES permit.

6. **New Items**

Next SWAC meeting will be Tuesday, June 8, 2004, Room 114, Cannon Health Building, 288 North 1460 West, Salt Lake City. Telephone call in # is (801) 538-9012
